

FAST FUNDING

IN THREE SIMPLE STEPS

Don't wait for brokers and shippers to pay their freight bills. Improve your cash flow and get paid the same day you deliver your load. As a TBS client, we make getting paid as easy as 1, 2, 3.

STEP 1: CHECK YOUR CUSTOMER'S CREDIT

Before submitting a load from a new customer, you'll want to confirm their credit by checking with our TBS credit team. Using the TBS: Get Paid® app is the easiest way, but you can also send an email to credit@tbsokc.com, call us, or use the web portal.

STEP 2: COLLECT THE RIGHT PAPERWORK

You'll need the following completed documents to submit a load to us:

- Exhibit B
- Rate confirmation sheet
- Signed bill of lading (BOL)
- Any supporting documents (lumper tickets, retention tickets, etc.)

STEP 3: SUBMIT YOUR SCHEDULE & GET PAID

If you're using the TBS: Get Paid® app, you'll be guided step-by-step to submit your schedule in the app. If you aren't using the app, you can send ALL your paperwork in one email to sendinfo@tbsokc.com.

It's that easy! Instead of waiting for 30, 60, or even 90 days to get paid by a broker/shipper, you can focus on growing your business and making money.
